I am a delegate of the Secretary to the Department of Health for the purposes of section 28 of the Act. I am writing to request under subsection 28(5) that you provide samples of

medicine specified above to the Therapeutic Goods Administration (TGA) within the period specified in this request.

The samples are requested to enable testing of the quality of the goods, and compliance with legislative requirements applying to listed medicines.

You will be advised of the outcome of the laboratory testing following completion of the testing. In addition, outcomes of laboratory testing are published biannually in the TGA Database of Laboratory Testing Results <http://www.tga.gov.au/ws-labs-index>.

Request under subsection 28(5) of the Act

It is a condition of registration under subsection 28(5) of the Act that the person in relation to whom therapeutic goods are registered, if requested by the Secretary or delegate of the Secretary, deliver a reasonable number of samples of the medicine within the period specified and in accordance with any other requirements specified.

In accordance with section 28(5)(h) of the Act, the period specified in any request must include at least 10 working days.

Accordingly, you are requested to provide, to the premises of the TGA by **5:00pm on 12 July 2021**, samples of **the two most recently manufactured batches supplied to the Australian market that have not yet reached their expiry date**, for the products detailed in the table above.

Please provide the following:

Aerosol containers

- Minimum of 12 aerosol containers for the most recently manufactured batch supplied to the Australian market.

Request for reconsideration of an initial decision

This decision is a reviewable initial decision under section 60 of the Act. Under section 60, a person whose interests are affected by a 'reviewable' initial decision, can seek reconsideration of the initial decision.

As this document constitutes written notice of the making of an initial decision being given by the Secretary, a request for reconsideration of this initial decision must be given to the Minister within 90 days and be accompanied by any information that you wish to have considered. A request for reconsideration given to the Minister outside the statutory 90 day reconsideration period cannot be accepted.

The Minister may either personally undertake a request for reconsideration of an initial decision or delegate to an officer of the Department with the appropriate delegation.

Under section 60(3A) of the Act, the Minister (or the Minister's delegate) is not able to consider any information provided after the notification is made of a request for reconsideration of an initial decision unless the information is provided in response to a request from the Minister (or the Minister's delegate), or it is information that indicates that the quality, safety or efficacy of the relevant therapeutic goods is unacceptable.

Guidelines for requesting reconsideration of an initial decision

A request for reconsideration should be made in writing, signed and dated by the person requesting reconsideration, should be titled "<insert person/company name> - Request for Reconsideration Under Section 60 of the *Therapeutic Goods Act 1989*" and should include the following:

- a copy of the initial decision notification letter (or other evidence of notification);
- identify, and describe with as much specificity as possible, which component(s) of the initial decision should be reconsidered and set out the reasons why reconsideration is requested;
- any information/documentation in support of the request, clearly labelled to correspond with (any or each of) the reasons why reconsideration is requested; and
- an email address nominated for the purposes of receiving correspondence in relation to the request for reconsideration.

All requests for reconsideration should be given to the Minister by email:

Email: **s22** @health.gov.au' and copied to 'decision.review@health.gov.au'

Requests for reconsideration that include dossiers (or similar bulk material) that cannot easily be attached to the request given first by email, may then be submitted on a USB drive or CD sent by express post or registered mail to:

Mail: **Minister for Health
Suite M1 40
c/- Parliament House
CANBERRA ACT 2600**

Subject to the *Administrative Appeals Tribunal Act 1975* (AAT Act), if you are dissatisfied with the decision upon reconsideration by the Minister (or the Minister's delegate), you can apply to the Administrative Appeals Tribunal (AAT) for a review of that decision upon reconsideration.

NOTE: This initial decision remains in effect unless and until it is revoked or revoked and substituted by the Minister (or the Minister's delegate) as a result of a request for reconsideration under section 60 of the Act OR is set aside, varied or remitted by the AAT or is otherwise overturned or stayed.
