Drug: COVID-19 **Comirnaty** (Pfizer)

I am emailing in regards to a fatal AEFI that was reported 25/03/2022 to the TGA via s22

s22 (TGA reference number AU-TGA-0000724023). This report describes the very sad case of a 9 year old female who was administered Covid-19 Comirnaty (Pfizer) Vaccine and sadly died from cardiac arrest with unknown date of death.

It would greatly assist our review of this case if you were able to provide any of the documents listed below:

- Hospital discharge summary
- Death certificate
- Autopsy report (if available)
- Australian Immunisation record (if available)
- [Additional information]

Please do not hesitate to email me on adr.reports@health.gov.au if you have any questions or wish to discuss this further.

Thank you for your assistance with this matter.

Kind Regards
