Advisory Committee on Medicines

Meeting Statement

Meeting 17, Friday 4 October 2019

Section A: Pre-market registration applications referred for advice

At this meeting, the committee's advice was sought on 8 applications under evaluation by the TGA. The applications included:

- two for the registration of a new chemical entity
- one for the registration of a new biological entity
- three seeking extension of indications
- one seeking a major variation (new route of administration)
- one seeking further advice about an application previously considered by the committee

Further details of the ACM discussion and advice associated with these items are released within the Australian Public Assessment Reports (AusPARs). Please note that there is a delay from when an application was considered at ACM and the publication of the AusPAR.
