Advisory Committee on Medicines

Meeting Statement

Meeting 27, Thursday 3 and Friday 4 June 2021

Section A: Pre-market registration applications referred for advice

At this meeting, the committee's advice was sought on 8 applications under evaluation by the TGA. The applications included:

- three for the registration of a new chemical entity
- one for the registration of a new biological entity
- one for the registration of a new combination of active ingredients
- three seeking extension of indications

Further details of the ACM discussion and advice associated with these items are released within the Australian Public Assessment Reports (AusPARs). Please note that there is a delay from when an application was considered at ACM and the publication of the AusPAR.
