Advisory Committee on Vaccines

Meeting Statement 4 - Wednesday 4 October 2017

Section A: Submissions for registration

The committee's advice was sought on two applications. One application was for a new biological entity. The other application was for a broader indication (with or without substantiating supportive evidence). The committee provided advice on a range of issues.

Further details of the ACV discussion and advice associated with these pre-market items will be released within the Australian Public Assessment Reports (AusPARs). Please note that there is a delay between when an application is considered by the ACV and the publication of the AusPAR. To browse all AusPARs see: [AusPAR search](#).

Section B: Safety

No item was on the agenda regarding safety or pharmacovigilance issues.

Section C: Immunisation Programs

No item was on the agenda regarding the immunisation programs.
