

INTEROFFICE MEMORANDUM

Date Sent: 08-Jul-1991 01:52pm
From: Margaret Atkinson
ATKINSON MARGARET
Dept: Therapeutic Goods Admin
Tel No: 286 0113

*done
8/9/91*

Subject: T.G. (Excluded Goods) Order

Terry

The Excluded Goods Order No.1, under item 15, excludes "Drinking water purification and fluoridation **equipment**". It may not be clear that this is intended to encompass chemicals (such as water purification tablets) added to water as part of the process.

At the next opportunity, could this item be expanded to specifically include any chemicals added to water for the purposes of purification or fluoridation?
