Hi [REDACTED]

I've also suggested an addition with some comments for your consideration (I focussed on the letter, not the PBS part).

Kind regards,

Hi [REDACTED],

Thanks for copying in Reg Ed. I've quickly added some comments and edits for your consideration in TRIM ([D20-466798](#)).

I think there are some elements of the update that may be confusing to readers who are not familiar with how the PBS etc works. Feel free to leave or action those comments as you see appropriate within the time constraints.

Cheers,
