UNCLASSIFIED

[redacted]
thank you for copying me into the cancellation request.

Are you still able to provide some or all of the information as requested previously in this email? If not could you please let me know?

Thank you for your assistance.

Judy Zilber

[redacted]
Thank you for your update.

As [redacted] have had 3 months since the date of the initial letter Request for Information and the responses are now well overdue, I will be considering Proposing to Cancel this product from the ARTG unless the information is with me by this Friday May 21st as well as evidence that [redacted] have undertaken steps to cancel the product themselves from the ARTG, as discussed with you on 24 April 2010.
