Manufacturer Information

Manufacturer name: Shenzhen Ann Chengda Technology Co Ltd (China - Peoples Republic of)[59433]

GMDN code: Tube, <specify>[14175]

GMDN description: A hollow device, made of metal or plastic material, which is inserted into a natural body orifice or an artificially created opening in the body or attaches to a needle which is inserted into the body in order to deliver or aspirate a gas, solid, liquid or instrument. A tube may be left inserted for a protracted time but not permanently.

Intended purpose : An electronic vaporizer kit (sometimes described as a personalised vaporizer or an "e-cig") for atomising liquid for inhalation. The kit when combined with separately supplied cartridges can be used as a quit smoking aid.
